Solo Surprise (All Levels)

This is a “FUN” event where individual skaters are grouped together by age and/or skating levels. The skaters don’t know what they will be asked to do until the event begins. This event usually consists of tasks not necessarily related to skating ability. For higher-level skaters, the task might require performance of some skating skills, but the technical performance of the skating skill is not scored.

Spotlight

Spotlight events do not focus on technical skating maneuvers, but rather, on the overall entertainment value of the program. Please take care in selecting the most appropriate category for the purpose of the program:

- a.) **Character**- a famous, easily identifiable character.
- b.) **Dramatic**- a theatrical performance that sets a mood and evokes an emotional response.
- c.) **Light Entertainment**- to entertain/light hearted.

<u>Level</u>	<u>Limitations</u>	<u>Duration</u>
Tot-Delta/Low	FS 1 and below	1:00 minute
FS 1-3/Bronze	FS 4 and below	1:30 minutes
FS 4-5/Silver	FS 6 and below	1:30 minutes
FS 6-7/Gold	Any maneuvers	2:00 minutes
FS 8-10/Platinum	Any maneuvers	2:00 minutes

Skaters may have assistance at the ice door with their prop(s). Skaters are still required to take their starting position within 30 sec. and exit the ice in 30 sec. after their routine.

Spotlight Couples

A spotlight routine of two skaters together performing a program that is entertaining, using costumes and props. Skaters may enter only one Couple Spotlight event. Levels, Maneuver limitations, and duration are the same as the requirements for solo spotlight, however, the level of the event will be determined by the highest level skater.

Spotlight Family

This event is open to 2 or more family members only (of any age and skating level). Program length is 1:30 minutes, and the routines may be fun, entertaining, portraying characters, and using props and costumes.

Artistic (1-10)

Skaters must be Freestyle 1 level and above. There are no props permitted in artistic skating. Skater performs a program to music with emphasis on strong edges, flow, choreography, innovative moves, and music interpretation. There is no score for technical ability in this event.

<u>Level</u>	<u>Limitations</u>	<u>Duration</u>
FS 1-3/Bronze	FS 4 and below	1:30 minutes
FS 4-5/Silver	FS 6 and below	1:30 minutes
FS 6-7/Gold	Any maneuvers	2:00 minutes
FS 8-10/Platinum	Any maneuvers	2:00 minutes

Rhythmic Skating (1-10)

This event requires the use of one hand-held prop (hoop, ball, or ribbon). Additional props are not allowed. Please see specific prop requirements in the ISI Handbook. Skater must maintain control of the prop at all times. The same levels, maneuver limitations, and duration apply as Artistic events.

Shoot the Duck

Skaters will be grouped by approximate age and test level. Timing will begin when skater’s hips are below knee level. Skaters may come up on two feet.

Interpretive

Open to all levels. Music will be provided. Skaters will hear the music 2 times during an on ice warm up and then perform a routine for the judges without any additional assistance. No coaches or parents allowed with the skater during this event. Skate monitors will put skaters on the ice at the appropriate times.

Tot-Delta	FS1 and below maneuvers
FS 1-3/Bronze	FS4 and below maneuvers
FS 4-5/Silver	FS6 and below maneuvers
FS 6-7/Gold	Any maneuvers
FS 8-10/Platinum	Any maneuvers

Jump and Spin Teams (2 Skaters)

Two skaters enter the ice as a team. The first skater performs his/her choice of a required jump 2 times, followed by the second skater performing his/her choice of a required spin 2 times. Only the best attempt of each element will be scored. All levels will be performed on half ice. If partners are from different levels, then they must compete in the level of the higher partner. Skaters may skate above their current freestyle test level but not below. **Maneuvers are judged only for technical accuracy, not the difficulty of maneuvers chosen.**

<u>Level</u>	<u>Jump/Spin</u>
Low (Tots-Delta)	2-Foot Hop or Bunny Hop 2-ft Spin
Bronze (FS 1-3)	Half flip or Toe Loop 2-ft or 1-ft spin

Ensemble

This event is open to groups of 3-7 skaters of all levels and ages. Skaters will be judged on the performance value of the program. There are no required maneuvers, no maneuver limitations, and there is no technical score for this event. The group should use music, costumes & props to enhance the theme while creating an entertaining performance. The costume & prop guidelines are the same as for Solo Spotlight events. Props are not allowed on warm-up. Event groups are divided by number of skaters first and then by age, if necessary.

Duration: 3 minutes

Production and Theater Production Team

These are lavish, creative, artistic performances using costumes and props to illustrate the number. Any and all types of skating maneuvers are permitted and teams must have a minimum of 8 skaters. Each team will have 2:00 minutes immediately preceding their performance that can be used for warm-up and/or set-up. Costumes, props, themes and choreography should be family friendly and suitable to viewing by skaters of all ages. Props may not be flame or smoke oriented or of any substance that will alter the surface of the ice. Caution should be used when selecting materials to be used for costumes and props. Feathers, glitter, and other materials that “shed” may leave the team subject to penalties.

Production Team Program Length: 4:30 Max
Theater Production Program Length: 6:30 Max
